

BENEFITS OF FACIAL MASSAGE OILS

FC1 : Rose & Peony (brightening & anti-wrinkle)

Absorbs rapidly to immediately moisturize, protect, calm and soften dry forehead, cheek and neck skin. Formulated with anti-oxidant rich Evening Primrose oil to enhance moisture barrier and provide daily pollution protection. Soothing essential oils of certified organic Damascus Rose and Rosemary to help nurture skin elasticity and glow.

Regular use will help preserve and maintain a youthful complexion, fade wrinkle lines, soften and smooth rough skin and brighten dull dry complexions.

Ingredients: Oils of Meadowfoam Seed, Evening Primrose, Rosehip, Hazelnut, Jojoba, Olive, Caster Seed, Grapeseed, Sea Buckhorn Seed, Coconut, Extracts of White Mulberry Root, White Peony, Liquorice, with essential oils of Damascus Rose, Geranium, Rosemary, and Vitamin E. The product contains CBD Isolate.

Usage:

1. Apply 2 to 4 drops each morning and evening to slightly damp or wet freshly cleansed face until absorbed.
2. A light massage can be used for about 5 minutes.
3. Use within 4 months of opening.
4. Keep out of eyes. Excess serum on the face may be diluted by simply splashing face with warm water and patting dry.

FC2 : Neroli & Black Tea (firming & repair)

Absorbs rapidly to immediately reduce visible fine lines and wrinkles and help maintain your skin's natural radiance. Evening Primrose Oil can enhance the texture and elasticity of skin, addressing dryness, irritation, roughness and wrinkles. Rejuvenating organic essential oils of Tunisian Neroli and Indian Carrot Seed will stimulate skin cell regeneration.

Regular use will help preserve and maintain a youthful complexion, fade wrinkle lines, soften and smooth rough skin and brighten dull dry complexions.

Ingredients: Oils of Argan, Pomegranate, Meadowfoam Seed, Evening Primrose, Sweet Briar Rose, Hazelnut, Olive, Jojoba, Caster Seed, Wheat, Grapeseed, Sea Buckhorn Seed, Coconut, Bitter Orange, Carrot Seed, Extracts of Tea Leaf, Arabian Coffee, Black Tea, Gotu Kola, Essential Oils of Helichrysum, Neroli, Vetiver, Frankincense, Rosemary, and Vitamin E. The product contains CBD Isolate.

Usage:

1. Apply 2 to 4 drops each morning and evening to slightly damp or wet freshly cleansed face until absorbed.
2. A light massage can be used for about 5 minutes.
3. Use within 4 months of opening.
4. Keep out of eyes. Excess serum on the face may be diluted by simply splashing face with warm water and patting dry.

FC4 : Tea Tree & Black Seed Oil (acne relief)

Absorbs rapidly to immediately balance facial excretion, exfoliates, reduces pores, and calm skin. Formulated with Black Seed oil for its antimicrobial and anti-inflammatory effects to improve acne. Meadowfoam Seed Oil acts as an emollient, sealing in moisture, keeping the skin soft and supple, and balances sebum production: Jojoba oil is a good moisture barrier and can protect daily pollution. Suitable for oily and combination skin.

Regular use will help preserve and maintain a clear complexion, soften and smooth rough skin and brighten dull dry complexion.

Ingredients: Oils of Black Seed, Meadowfoam, Sweet Briar, Jojoba, Caster Seed, with essential oils of Tea Tree, Thyme, Lavender, Geranium, Clove, Clary Sage, White Willow, Rosemary, and extracts of Aloe Vera, Vitamin E. The product contains CBD Isolate.

Usage:

1. Apply 2 to 4 drops each morning and evening to slightly damp or wet freshly cleansed face until absorbed.
2. A light massage can be used for about 5 minutes.
3. Use within 4 months of opening.
4. Keep out of eyes. Excess serum on the face may be diluted by simply splashing face with warm water and patting dry.

FCS 6 – Grapeseed Oil with CBD 300 mg (50 ml bottle)

CBD has been found to be a powerful **antioxidant** which means it has the ability to reverse the signs of aging (wrinkles, sagging skin, dullness, ruddy skin tone) by counteracting free radical damage, caused by environmental stress and everyday pollutants.

CBD increases hydration and moisture, CBD is rich in antioxidants and high in vitamins A, D, and E. It's also filled with essential fatty acids like omega 3 and G, which are important for the overall health and appearance of skin. CBD is a great addition to skincare routines focused on improving skin texture and diminishing puffiness. It even acts as an optimizer that amplifies the active ingredients of the other products you use, helping them penetrate deeper into the skin. It is called an optimizer for a reason.

Grapeseed Oil (*Vitis vinifera*) makes a great facial massage oil. It is rich in linoleic acid, vitamins and minerals and has a light, fine, non-greasy texture that are easily absorbed. The oil doesn't clog pores and is ideal for all skin types, including oily skin that needs moisturizing. It has little-to-no odor and a smooth, silky texture without being greasy.

Ingredients: Grapeseed Oil (50ml) with CBD isolate 300 mg.

Usage:

1. Only 10 ml of this oil will be good for a full facial massage
2. Use within 6 months of opening.
3. Keep out of eyes. Excess serum on the face may be diluted by simply splashing face with warm water and patting dry.
